Item 52 - U.S. Pat. No. 5,327,556; and

Item 90 - IBM System Journal, Volume 36, Number 2, 1997.

In addition, the Applicant has attempted to obtain copies of two additional references from the list of abstracts: (1) the Research Report that is associated with item 50 and (2) the Proc. 4<sup>th</sup> International Workshop on High Performance Transaction systems, Asilomar, September 1991 that is associated with item 19 (although the IBM Research Report RJ8281 for item 19 is included as noted above). However, after expending substantial effort, the Applicant has been unable to acquire copies of these two references. If and when the Applicant is able to obtain copies of these two references, the Applicant will supply such copies to the Office.

Finally, if the Examiner desires copies of any of the other references from the list of abstracts, the Examiner is encouraged to contact the Applicant who will provide such copies.
